Dear Parents, Staff, Students and Friends of TBS,

It has been another week of fantastic performances. Congratulations to our KS2 students who entertained us with ‘Dragon Days’; so much lovely singing, dancing and energy, along with some very funny jokes! I am always impressed at how young people are able to come together and deliver a production with so many moving parts and have such fun in the process. Thank you to Ms. Buckland, Ms. Wood and Mr. Smith for their hard work and for inspiring our KS2 students. Our secondary music students will be showcasing their talents later this evening. They have been working hard all year, preparing for their exams and this is our opportunity to enjoy the results of their hard work - please do come along at 5:30pm this evening.

Last Friday, our Year 11 and 12 students delivered their speeches in support of their applications to become the Prefects. This week, members of the Leadership Team, including myself, have had the privilege of interviewing these 12 candidates. They are all impressive young people, who exemplify the values we admire; we have therefore appointed all 12 as Prefects and will be restructuring our student leadership programme. Our Head Prefects will be Liam and Megha, who will be supported by Uday, Mohammed, Rohan, Rubina, Vivek, Naman, Jason, Brandon, Rishav and Sarangel. I am looking forward to working with them and helping them implement their ideas to make our community even stronger.

Good luck to our Primary FOBISIA team who will be leaving for Thailand at the end of our imminent holidays; we look forward to hearing about your experiences and are sure you will have a wonderful time. I do hope everyone has a super Easter holiday; it has been a fun and challenge packed term - thank you for your continued support and see you all very soon on Monday 29th April.

Have a lovely end to the week and weekend.

Brian Platts
New contact numbers for bus monitors
Please note the new contact numbers for all the bus monitors. If you have any queries regarding this, please contact the school office.

Recent and future events

Athlete of the Month
The latest "Athlete of the Month" video was released last week. Congratulations to Pema in Year 13 who epitomises a true student athlete; she speaks about balancing academics with a multi sports commitment here at TBS.

Primary FOBISIA Games
Twenty four of our Year 5 and 6 students will travel to Phuket just after the Easter holidays to compete in the Primary FOBISIA games against schools from all over Asia. Our students and coaches have been preparing diligently for all the sports events over the past few months with challenge matches in boys & girls football, off-site athletics and tee ball sessions and some time in the pool to complement their weekly club schedule. Best Wishes to the entire squad along with Ms. Langham, Mr. Lowe and Mrs. Malla who will accompany the team.

University Week 17th to 21st June
Once the students have finished their AS exams, we will start to look forward to next year and the life-changing decisions they will be making about their future! To thoroughly support this difficult, potentially complicated, process we will be running University Week. This is dedicated to giving the students all the information and research resources they need, so they can begin to plan their future university or college applications. We will cover all major international territories; the different application processes, search portals and course requirements; writing successful statements and essays; financial aid, cost of living, visas etc. Parents are welcome to attend morning nano sessions at 8.am in C3. Please click here for the letter. For more information please contact Mr. Moore at smoore@tbs.edu.np.

Secondary Production
A few weeks ago, the Secondary Performing Arts department showcased the magnificent skill of some of our secondary students in the production of "Beauty and the Beast Jr.". With months of hard work, weekends and evening rehearsals undertaken, it all culminated in two spectacular sold out shows that had the audience experiencing a range of emotions. Well done, and thank you to all those involved in the process of putting on this astounding performance. If your child would like to be involved in next year’s production of "High School Musical Jr" the auditions will be held when we return in August for students in Year 7-13.

Parent Information session - MFL
The next Parents Information Session is on Thursday 2nd May 2019 at 8.30 am (after the Easter holidays), where our focus will be on MFL (Modern Foreign Language). We request you to RSVP so that we can organise a suitable space and appropriate refreshments. Please also send in any questions you may have to me, regarding the topic by Tuesday 30th April, so that we can include these in our presentation. If you have any suggestions or queries regarding these sessions, please contact Ms. Nancy Khetan directly.
