Dear Parents, Staff, Students and Friends of TBS,

What a fabulous start to the new school year; the school is looking wonderful, thanks to our hard working ground staff and the students are taking full advantage of the creative and challenging learning opportunities, provided by our incredibly passionate teachers. The quality of learning and level of care here at TBS is something to be very proud of, although we are not resting on our laurels! We spent last week training and preparing for this week, focusing on pedagogical excellence and how we care for ourselves and our students. We will continue with this concurrent theme throughout the year.

Congratulations to all of our students who sat external examinations in the summer. They have just received their results and should be very proud of their considerable achievements. We wish our graduating class of 2018 all of the very best as they move onto the next stage in their lives, which for the vast majority of them, will mean leaving home and starting at University; please take care, please do keep in touch and please let us know how you are getting on.

I would like to thank everyone for their kindness and support over the past couple of weeks; I feel very humbled and privileged to be here and I am looking forward to building upon the great work of Dr. Moore. With such a supportive community, I have every confidence we will continue to develop as a school and be renowned for 'excellence and care'.

Employees of the Month

While we were enjoying the summer break with our friends and family, all of our ground staff were in school working hard to ensure we were ready for a fresh start and things run smoothly. They have been excellent in their work to make the school look amazing inside and out! They gave up on their holidays for the entire break and so we would like to recognize the effort they put in and the role they play in school. Congratulations and thank you for everything you do!

Instrumental Music Lessons

The registration process for Instrumental Music Lessons in Term 1 & 2 is now open. If your child would like to continue or begin instrumental lessons, then please complete this Registration Form no later than Friday 24th August. You may also inform Ms. Shona Berque (sberque@tbs.edu.np), in person or by email. Instrumental lessons will commence in Week 3 of Term 1.

Sunday Nepali class

The Sunday Nepali classes will resume on 19th August 2018. We look forward to welcoming your children to continue their Nepali lessons and once again express our gratitude for your support. Please see timings below:

TBS Public Examination Result success!

Tuesday 14th August was one of the most nerve-wracking days of the year for students - public examination results day! There were some excellent results with extremely high scores across the year groups. Although there are a couple of subjects whose results are released next week, our students have been rewarded for their hard work with some excellent grades. Our Year 13 students are currently planning for their university futures with some very creditable grades! Well done!

Clubs Information - Block 1 (Terms 1 & 2)

This year we are excited to offer a vibrant and varied programme of 67 clubs for primary students and 59 clubs for secondary students. Block 1 signup process will start on Tuesday 21st August. Clubs will begin on Monday 27th August 2018 (Week 3, Term 1) and will end Friday 14th December 2018 (Week 7, Term 2). A letter will be sent to all parents early next week with detailed information about the signup process.

Sports Teams 2018-2019

We are looking forward to a successful year ahead with our TBS Sports teams. The try-outs are happening for many of our competitive teams during the first two weeks of term. All the information is on the PE Webpage. There has been a great turn-out at the trials to-date and we wish all the athletes participating the best of luck. Go Yeti’s.
