Visitors and Volunteers Policy

Visitors and volunteers at our school bring with them a wealth of skills and experience that enhance the learning opportunities of the children. TBS welcomes and encourages them.

Visiting and Becoming a Volunteer
We receive many requests from people who wish to visit or volunteer. We also have many occasions where we request and encourage involvement from volunteers in school activities. These may be parents of children at TBS, members of the local community or individuals interested in pursuing a career with children. It is important that we keep track of who is working in our school, where they are placed and for how long they will be with us. For this reason all requests from visitors and volunteers should be directed to the Principal or Vice Principal who has responsibility for the organisation and/or placement of such individuals. Where possible, at least one week’s notice should be given.

Vision
All adults who work in our school, whether as a paid member of staff or volunteer, are expected to work and conduct themselves in such a way as to actively support our school policies and vision.

Site Rules
A synopsis of our site rules are on the reverse of the visitors badge and displayed near the front of the school, and can be found below:

Welcome to TBS! We hope you enjoy your visit.
● The safety and well-being of the children is our top priority so please inform us if you observe anything that will help us keep the children safe.
● Do not take any photographs of the children whilst on the school site.
● Please stay in those areas relevant to your visit and only use toilets labelled for adult use.
● Please be considerate whilst on the school site and help us model good behaviour for the children.
● This is a non-smoking site. Thank you!

A comprehensive list of the site supervision rules can be found here.

Confidentiality
Volunteers in school are bound by a code of confidentiality. Any concerns that visitors and volunteers may have about the students they come into contact with should only be discussed with the Principal, a designated safeguarding focal point or a relevant teacher. Visitors and volunteers concerned about what another adult in the schools says or does, should raise the matter directly with a member of the school staff.

Supervision
All visitors and volunteers are under the supervision of a teacher. Teachers retain responsibility for the students at all times. Visitors and volunteers should have clear guidance from the teacher as to how an activity involving children may be carried out and what the expected outcomes of any activity are. Visitors and volunteers are encouraged to speak to the teacher if they have a query about any aspect of a student’s understanding or behaviour.
Health & Safety
The school has a Health and Safety Policy available on our school website. Class teachers ensure that visitors and volunteers are made aware of any emergency procedures (eg. what to do in the case of a fire alarm) and about any safety issues associated with a particular task (eg. during a practical task). Visitors and volunteers are asked to exercise due care and attention and report any obvious hazards or concerns to the supervising teacher.

Safeguarding Children
The welfare of our children is paramount. To ensure the safety of our children we adopt the following procedures;
1. All visitors and volunteers are expected to familiarise themselves with this policy.
2. Visitors and volunteers must wear an identification badge whilst on the premises.
3. All volunteers must sign a Visitors and Volunteers Agreement (appendix 1 and 2)
4. The school reserves the right to ask for a reference if necessary.
5. Anyone visiting or volunteering on a regular basis and who has substantial access to children must have a full, up to date DBS check.

Returning students and friends/relatives of TBS children
We do get many requests from students or parents to allow other children to attend TBS for a day or a week whilst they are in Kathmandu. Ex-students also often come back to TBS and we enjoy seeing them again. Whilst visiting non-TBS children would not be able to attend taught lessons (for a variety of practical reasons), they are welcome to visit us at the start or end of the day or at lunchtime by arrangement with the Principal.

Complaints Procedure
Any complaints about a visitor or volunteer will be referred to the Principal. Any complaints made by a visitor or volunteer will also be referred to the Principal.

School Management or Governors reserves the right to take the following actions:
1. To speak with the individual about a breach of our agreement and seek reassurance this will not happen again.
2. Offer an alternative placement.
3. Inform the visitor or volunteer that the school no longer supports their attendance at school.

Monitoring and review
This policy has been approved by the governing body and will be reviewed annually or in the light of new guidance from the UK government.
