Dear Parents, Staff, Students and Friends of TBS,

I do hope everyone had a restful ‘mini’ half term break last week and are refreshed and ready to successfully complete the last 3 and a half weeks before the summer break. Our students in Years 7, 8, 9 and 10 have certainly come back well prepared for their end of year examinations this week: it is important to remember (for students and parents) that there should be a healthy mix of study and relaxation so as to be able to demonstrate the true extent of their learning.

There have been two incidents in the last week which have caused concern; the closure of the school on Monday 27th May due to the Biplov bandh/explosions and an emergency evacuation on Wednesday afternoon due to a concern over a prevalent smell of gas in the Secondary area of the school. It is pleasing to know that, in both cases, we received quick and accurate advice so that we could make the ‘right’ decision in securing the safety and welfare for all of those that are part of our community.

This weekend we look forward to welcoming lots of members of the community to the school for the TBS ‘World Cup’ on Saturday and the AGM on Sunday. The AGM will start at 4pm and there will be a BBQ; please do bring some food along, either a salad, dessert or something to cook on the BBQ. If you haven’t had enough of sport from the World Cup, bring your sports gear as there will opportunities to play some games and sports also.

Have a lovely end to the week and weekend.

Brian Platts

**Recent and future events**

**Staffing update**

We would like to inform you that Ms. Dikchhya Gauchan, who was working as the Community Liaison Officer has left TBS effective from this month i.e. June 2019. We are sad to see her go but are happy for her as she wishes to advance her academic qualification. We wish her all the best for her future.

From now on, Ms. Sangita Pandey (spandey@tbs.edu.np) is incharge of the community liaison responsibilities and Mr. Asheesh Pakhrin, Operations Manager (apakhrin@tbs.edu.np) is incharge of the site/facilities booking. You can email Asheesh for the necessary bookings and logistic arrangements and Sangita for anything relating to our community partners or the work we do with them. We wish them all the best for their new responsibilities too!
TBS World Cup
As part of the fundraising we do for our TBS community projects, we will be hosting the Kathmandu World Cup Football Tournament on Saturday, 8th June 2019. We would like to extend a warm invitation to you and/or your family to join us and be a part of the fun event at school.

Message from the TBS Owls
Parents! Staff appreciation is quickly approaching. It will be this year on Tuesday June 18th from the hours of 11-2. I know you all would like to join us in showing how much the amazing staff means to us, however, I also know most of you have jobs. The Owls are looking for volunteers for many different things from serving food to making cupcakes and signs. We will send out a google doc in the next week so you can sign up to help out. Many of these jobs will not require you to actually be at the event. Thanks so much, The Owls. As always you can email Jenn at kuhnfu@hotmail.com with questions or to volunteer your support.

University Week 17th to 21st June
To thoroughly support the difficult, potentially complicated, university application process we will be running University Week. This is dedicated to giving the students all the information and research resources they need, so they can begin to plan their future university or college applications. Parents are welcome to attend morning nano sessions at 8 am in C3. Please click here for the letter.

Glimpse of Year 2’s final entry point of the year!
