Dear Parents,

Registration of The British School Kathmandu

It is my pleasure to inform you that The British School Kathmandu is now legally registered as a trust; The British Education Foundation. This is a major breakthrough that we have been working towards for a number of years and means we can begin to plan for the future with greater certainty and security. As many of you may know The British School was originally established according to an exchange of letters between the British Embassy and the King. Given the legal changes in Nepal, but the lack of clarity in the laws, the registration and incorporation required a great deal of research and strategic planning.

We would like to thank all the TBS trustees for their support and in particular Mr. Ajit Shah and Mr. Chris Decker who have both devoted a great deal of time towards achieving this positive outcome.

Mr. Ajit Shah  
Mr. Prasanna KC  
Mr. Sulav Agrawal  
Mrs. Vani Rana  
Mr. Anmol Singh  
Mrs. Prama Rana  
Mrs. Prerana Thapa Bajracharya

As discussed at the Annual General Meeting last year, the Trustees will be formally introduced at the Annual General Meeting in the Autumn term and their role is advisory and to work on special projects. Although, the leadership and governance of the school will not change radically, the Trustees, Governors and School Leadership relationship will require the constitution of the school to be updated and this will be referred to parents for approval in the coming months.

This is very exciting news for the school and thank you to all the Governors for their hard work to achieve this new status.

Yours sincerely

Dr. John Moore  
Principal
