TBS Sends Essential Supplies to the Disabled New Life Centre

Yesterday TBS sent out essential supplies to the Disabled New Life Centre after hearing that they were need of food and cleaning materials. At the centre there are 30 young people and 10 adults staying outside under tarpaulins. The building looks ok from the outside but when you go inside there are cracks everywhere and the structure is unsafe to enter.

TBS has been working with the DNC by providing activity days at the school and supporting them with education initiatives and resources. It is a Non-Governmental organisation that provides a caring home environment with education, healthcare and life skills to help children become independent adults.

Here is a list of what we sent:

- Rice - 50kg
- Pulses - 15kg
- Sugar - 5kg
- Cooking Oil - 15 litres
- Flour - 20kg
- Milk Powder - 5kg
- Drinking Water - 100 litres
- Beaten Rice - 20kg
- Biscuits - 2 cartons
- Potatoes - 15kg
- Onions - 10kg
- Salt - 5kg
- Noodles - 6 boxes
- Puja Wash Soap - 20
- Hand Sanitiser - 10 bottles
- Cleaning Products - 15 bottles

We would like to take this time to thank everyone for their donations and messages of support coming from around the world. Without your support this would not be possible.
