The full list is here and please do come along and learn about learning at TBS. We will be discussing a wide range of topics including phonics, learning through play, growth mindsets and E-safety. If there is anything that you would like to discuss that is not already on the list then please do let us know and we will be happy to include it.

International Day 2017 - A celebration of our wonderful multicultural community

International Day is fast approaching. On Friday 13th October, TBS will celebrate all the different nationalities we have represented in the school. We will start the day with the annual costume parade around the school which parents are welcome to join us on. This will be from 8.20am to 9am.

After this, children from Year 1 up to Year 10 will work together converting classrooms into the different countries we have represented in our school. In the afternoon we will have a chance to travel the world and learn more about the different places our friends at TBS come from.

To finish off the afternoon we will have an International Extravaganza Assembly starting at 2pm with the whole school. Parents are welcome to join us in this celebration. This will consist of performances from different groups of students and parents from all around the world. The celebrations end at 2.30pm.

Health & Fitness Week

TBS Health & Fitness week, which was the final week of Term 1, kicked off with high energy movement to music sessions for all staff and students. Throughout the week the Fitness trail was followed, and it was great to see our youngest students doing a variety of tasks in secondary with their teachers. Well done to all participants in this whole school event!

Swimming success for TBS

The TBS Swim team were out in force at the Lincoln Swimming Gala in the final week of last term. This event was scheduled for two days but stretched to an additional session on the evening of the holidays to complete all the finals and medley relays. TBS Swimmers captured places in the finals and medals in a variety of events with the boys medley team taking silver position in a very exciting final. TBS were 3rd overall out of all the schools that competed. A fantastic performance to round off the 2017 swimming season. Special congratulations to TBS Swim team captain Arvan on his gold medal in the 50m backstroke event at the National Swim Association Championships which were held the same week.

TBS House Cricket

The TBS Annual House Cricket Competition took place during Health & Fitness Week. All four houses were strongly represented and the level of competitiveness was high. Dhaulagiri won the Year 7 & 8 tournament with a 4 run margin over Kanchenjunga in the final. The Year 9 & 10 title was captured by Annapurna, once again beating Kanchenjunga in the final. The Year 11 & 6th form tournament rounded off Health & Fitness Week and saw Dhaulagiri capturing a fantastic last minute victory over Kanchenjunga on a 27-25 run scoreline! Well done to everyone who took part!
