Dear Parents, Staff, Students and Friends of TBS,

Although we have not had clubs this week we have had lots of extra things happening including the Innovation, Creativity and Entrepreneurship (ICE) week for Years 6 to 10, the Year 12 Bridging Course (hot on the heels of universities week for Year 13 the previous week) and the Key Stage 1 Bee Musical which was a wonderful spectacle and profoundly paraphrased William Shakespeare: ‘Our destiny is not in the stars but in ourselves’.

Last Friday we bade farewell to our Year 13s, whose destinies now lie beyond TBS, at their graduation ceremony. They have been a fantastic year group, definitely amongst the top 5 graduating year groups I have known, and we wish them well for the future!

Next week we have a similarly action packed last week of term with secondary House Rounders, lots of exit points and special events such as the visit of our final author of the year. Parents are welcome to join us for the final assembly of the year which will begin at 11.15am on Friday and school finishes at 12.30pm on the last day of term.

Dr. John Moore
Principal

Recent & future events

Foundation 1 and 2 had a wonderful morning on Tuesday full of fun PE activities with the students of their community partner school, Shramik! The children loved playing and being sporty with them - thank you to all involved!

Community Sports Event

The third annual TBS Community Sports Event involved ten of our partner schools and were run over two days last week. Sungava, DSA Bungamati and CP Nepal were our visitors on Friday and Shramik School, Shree Tika Vidhyashram, Suryodaya Bal Bikas, Mary Ward from Lubhu and Jhamsikhel, Gram Sudhar and Guheshwori took part in the highly competitive event on Saturday. There was great support from within our school body for these events with our Year 10 Leadership students taking charge of all the events (set-up, execution and recording!). The atmosphere surrounding the event was one of great fun with the participants on Friday taking part in activities including parachute games, let’s dance and an obstacle course. Saturday’s atmosphere was more competitive, with students competing in athletics events including shot put, the mile run and the long jump. All participants over the two days received certificates of participation and a stationary set, with gold medals for the winner of each event. Thank you to all those in the community who donated to the stationary set fund! Well done to all involved and we look forward to hosting again next year.

Message from TBS Owls

52 playing cards with 52 different pictures of TBS special and distinct places in 1 pack. The THANK YOU cards that were given as a gift to TBS staff are on sale (400NRS) at the coffee cart! Ideal gifts for friends and family!

Primary Literacy Celebration

On Wednesday 27th June, we will be having a Primary Literacy Celebration, to mark the end of our Year of Literacy. As part of this day, we will be having Jane Wilson-Howarth, a local author running a special assembly, in which she will talk about her books and the process of becoming an author. If you would like to hear more about her journey to becoming a published author, then please join the assembly on Wednesday 27th June from 2.00pm until 2.30pm in the Hall. There will a bookstall in the Primary playground from 2.30pm - 4.00pm, where Jane’s books will be on sale - a perfect opportunity to buy an additional summer read!

ICE week is underway…
