Dear Parents, Staff, Students and Friends of TBS,

I hope everyone had an enjoyable half term break and is ready for an action packed last 5 weeks of the year. As you will have seen from the various posters around the school, we have a lot happening from the TBS World Cup for adults, the TBS community partners sports days for local school children, to the various productions and events for our own TBS children. Do check the calendar for the latest updates and we look forward to a really successful few weeks!

Dr. John Moore
Principal

Recent & future events

TBS World Cup
Come and join the TBS World Cup this Saturday from 8am - 3pm on the school pitches. Watch UK, Nepali, Spanish, Dutch and other teams from around the world battle it out on the pitch as well as enjoy the activities happening around the tournament. A great community day of fun to be had! We look forward to seeing you there.

Community Sports Day
The TBS Community Sports Day for our community partners will take place on Friday 15th June and Saturday 16th June from 8.30am to 12.00pm. We will be providing each of the participants with a stationery set on Friday for which we are collecting donations, just 330NRs per set! If you would like to donate any amount, Ms. Gauchan and two Year 10 students will be available every morning from 7.55am to 8.15am near the school noticeboard at the entrance. We would like to thank all the parents who have supported by donating so far!

Railway Children! KS3 Summer production
Don’t miss the KS3 production of The Railway Children next week. Tuesday at 5.30pm for one night only! It is sure to be a fantastic show and fun for all the family!

IPC Home Learning
After sending out the home learning at the beginning of this term, we have been very impressed by the high level of projects returned so far. It is clear that there have been some wonderful conversations going on at home, about both home countries and our host country, Nepal. The pictures here are a brief glimpse of the amazing pieces of home learning we have seen!

Employee of the Month - Ground staff
This month’s employee of the month is Rakesh Maharjan in appreciation of all his hard work at TBS. Congratulations to Rakesh and thank you to him for all his efforts. He does a great job on the TBS gardens and grounds, is always willing to do extra work when needed, and supports his colleagues as they create a really nice environment for the children. Thank you Rakesh!

Year 12 University Week 11th-15th June 2018
After their exams Year 12 students will be back to school for Uni week from 11th to 15th June. This is vital for their futures, as we will be discovering all of the information they will need to start applying for Universities and Colleges worldwide, including; how to search for Universities and courses, writing successful applications, applying for financial aid and the different processes and systems for each country. This is compulsory and it is crucial that students understand one of the most important steps of their lives. Each morning during the week we will also run ‘Nano’ sessions for parents to give you all the information you need to support your child. See this letter for more details and if you have any questions you can contact Mr. Sean Moore (smoore@tbs.edu.np).

TBS Board of Governor vacancies: June 1st deadline!
One of the things that does make us distinctive is the leading role parents play in the life of the school. If you would like to play a role as a parent governor full details can be found in this letter with a Board of Governor nomination form. If the meeting timing is an issue, the Board meeting will take place from 8am until 10am in the next academic year, whereas this year it has taken place from 6pm until 8pm, which might have held parents back from nominating themselves! Thank you in advance to those who do put themselves forward for election.

Message from TBS Owls - Staff Appreciation
TBS OWLS are organizing the annual Staff Appreciation on Friday 8th June, 12pm to 2pm to show gratitude to all the staff that work in school. This year staff will receive lunch and a memorable Thank You Gift. Parents, you can contribute in many ways: bring a plate with dessert; help with the catering or just come and help out where there is a need. It will be a great opportunity to say Thank You to staff and also goodbye to staff that are leaving us at the end of this school year. Hope to see many of you there, thanks for your help already. The OWLS.

ICE Week 2018
During the week of the 18th-22nd June 2018, Year 6 to Year 10 will be celebrating Innovation, Creativity and Entrepreneurship here at TBS. Students have been given the choice of a variety of week-long programmes, and will enjoy different activities outside of the normal timetable as part of this programme. Individual letters to parents were sent out earlier this week with details of the workshop your child has chosen. Please feel free to contact Ms. Khetan or Ms. Caines if you have any queries regarding the arrangements for the week. We look forward to an exciting week of learning!
