Dear Parents, Staff, Students and Friends of TBS,

Welcome back and Happy New Year! It has been a very good first week back and a special welcome to new TBS children and families who are settling in well. We also welcome new colleagues with Ms. Sara Harman joining the primary team working across the primary age range and Mr. Sean Moore joining the English department. The wonders of modern communication technology have enabled us to complete our recruitment of teachers for 2017-18 and you can find brief biographies here. We look forward to them joining us in August and will enjoy the two terms we have with those colleagues who will complete their contracts and leave for new challenges in July.

University Visits continue in 2017
We are very pleased to welcome Hong Kong Baptist University to TBS on 18th January. This is the first time we have had a visit from a Hong Kong university and, with Asian universities generally growing in popularity amongst TBS students, this is a great opportunity for them to find out more about studying in this fantastic environment. TBS is also very pleased to be hosting our second US University fair on Thursday 2nd February. From 2.30pm to 4.00pm we will have 14 US universities: Arkansas Tech, Central Washington, Embry-Riddle Aeronautical, Luther College, Marywood, Northern Kentucky, Savannah College of Art and Design, Shoreline Community College, SUNY Plattsburgh, Troy, Bridgeport, Colorado Boulder, South Dakota and Wisconsin. We have visiting students from other Kathmandu schools at this event, so it should be lively and busy, but parents and students who want to know more about US universities are very welcome. There will be presentations at 2.30pm for parents and Year 12/13, followed by a table top fair and chance to talk to individual representatives for all interested students from 3.30 onwards. Any questions about these events, do contact the Sixth Form Office.

An Evening of Classical Music
We were very happy to host conductor Joanna Ismyridi (Cottbus Philharmonic Orchestra, Germany) who worked with our students on orchestral conducting skills. This was an excellent opportunity to inspire our students to pick up an instrument and enjoy western classical music. Conductor Ismyridi also worked with various local musicians from various different orchestras, including the Kathmandu Youth Orchestra. Together with the musicians and with the support of Sabin Munikar (TBS violin teacher) they prepared a programme that was performed in front of an attentive audience Monday evening. The idea for the future is to set up ‘one big orchestra’ to include all current and future musicians from the Kathmandu Valley. The orchestra will rehearse at TBS so our students, as soon as they are ready, will be able to join an orchestra and experience something very unique.

Community Toy & Book Drive
There is an opportunity for all parents and friends of TBS to donate good quality unused toys and books to our community partners. Please fill the donation boxes which will be situated at the Community Shop, Primary Reception and the Library to help two of our links, the Burns Ward at Kanti Children’s Hospital and CP Nepal.

New Bhaisepati Bus Route
The good news for the environment, for reduction of traffic around school and for all children residing in the Bhaisepati area is that a school bus will now cover that route. For more details about any of our routes or to book a place on the Bhaisepati bus, please contact our Bursar Mr. Uday Shrestha.
