## Principal's Message
Congratulations to our swimmers who performed so well over the weekend at the Lincoln School Invitational. Our 15 swimmers from Year 5 to Year 11 reached the podium on 14 occasions and represented the school magnificently.

Both the Primary School and Secondary School assemblies focused on our student leaders and student achievement. Our Primary Student Council representatives and House Captains confidently outlined their ideas for the year ahead and I look forward to acting upon their plans during the year. In the Secondary School, our five stands of student leadership, centred around community, compassion, challenge, creativity and confidence have attracted over 100 students to serve on these distinct teams who, like their younger peers, have great plans in store for us. Congratulations to our mathematicians and French linguists who received their certificates during the assembly. Two new members of community, Lise from Year 8 and Ms. Van De Kaa, recognised and celebrated the kindness and compassion shown to them since their arrival 4 weeks ago and showed such confidence in articulating this.

As many of you will be aware, cases of dengue have increased both in the valley and in different districts around Nepal. Last week we outlined what we are doing to make our school site as safe as possible with advice of personal precautionary measures. We are constantly monitoring and re-assessing risk, not only on our site, but at our Chobar site and the locations where our expeditions are planned for October. We are working closely with our pest control contractors and medical professionals to ensure we are not putting our children at risk and we will keep you updated with any possible changes to our provision.

Good luck this weekend to our senior volleyball players who ‘kick’ off their season and our swimmers who will be competing again, this time, at Little Angels School. Have a lovely end to the week and weekend.

Parent Information Session - The year ahead
Thank you to parents who were able to attend the information session this morning. We request you to RSVP so that we can organise a suitable space and appropriate refreshments. Please also send in any questions you may have to me, regarding the topic by Tuesday 17th September, so that we can include these in our presentation. If you have any suggestions or queries regarding these sessions, please contact Ms. Nancy Khetan directly.

Chess Champions!
It is never too late to celebrate and congratulate students on their achievements. Earlier in May (when Ms. Swift was still with us!) the amazing More brothers participated in the 15th Nationwide Annapurna Friendship FIDE Rating Chess Championship. Tarush won 4 matches out of 5 and secured fourth position in the U10 Boys category. Laksh got recognised for being ‘the emerging player’ as he was the youngest to compete in the chess tournament! Well done Yetis!

Sunday Dance class (non TBS event)
Sunday dance class is available for the TBS students who are interested to learn more and refine their skills over the weekend. 10-11am for F1-Year 2 and 11-1pm for Year 3 and above. Please email sagurung@tbs.edu.np for further details.

International Day! - Friday 20th September
We are excited to announce that the TBS International Day 2019 will be on Friday 20th September, next week. As per the tradition, we will start the day with a parade to showcase the 33 different nationalities we have in our community.

Primary classes will spend the morning working together to learn about a variety of different places around the world. They will then present their learning to you at the TBS Travel Fair that we welcome you to join. The fair will be from 1pm - 1:30pm, followed by the Primary International Extravaganza Assembly from 1:45-2:30 pm. We look forward to seeing you there.

We are also running a competition this year to find out what International Mindedness means to you. See the poster for details.
