**Principal’s Message**

Congratulations to all of the students who competed in our Secondary Sports Day at the weekend. Thank you to the many parents who attended to support their children and helped make it such a wonderful community event. Find photos here from the day.

It was a pleasure to welcome Tom Sherrington to school earlier this week, to work with our teachers, parents and governors. Tom’s metaphor for learning (the learning rainforest) emphasises individuality and a strong knowledge and skills base which encourages creativity and innovation.

Parental engagement is high in our school and this was evident on Wednesday with our Year 8 PTC; I hope parents found the conversations with their child’s teachers useful and it resulted in strengthening of the three way partnership that is vital if children are to be happy and achieve.

It has been wonderful seeing how students have responded to World Kindness Day on Wednesday with lots of examples of compassion and lovely messages of gratitude across the school.

Traffic and Car Park Procedures

Thank you to parents who provided feedback regarding the traffic issues we experience at school on a daily basis. We will be putting the new guidelines into place on Monday and I am hoping this will contribute to a safer and more efficient system.

Air Quality Policy 2019

The quality of the air is now deteriorating as we enter the winter season. Air purifiers are currently being placed in all classrooms and we will be implementing our procedures for limiting time outside when air quality levels are unsafe.

Year 1 parents have some exciting activities in store for them tomorrow with the Exit Point ‘All dressed up’, so please make sure you come along if time permits.

Good luck to our U15 FOBISIA sports team and MUN delegation who will be making their way to Thailand next week for their respective competitions; have fun and be proud to demonstrate your excellence and kindness.

Have a nice end to the week and weekend.

Recent and future events

NISSA League
Our Senior Girls Basketballers and Boys Footballers were in action at the weekend with fixtures versus Rosebud School. The Basketball team lost on a 40-19 scoreline against a very fast team. The boys started their season with a great victory and beat Rosebud 2-0. Best wishes to both teams and coaches who are in action this week against KISC (Girls Basketball) and GEMS (Boys Football).

Intention of Withdrawal
Thank you to those parents who have confirmed that your child/children will be leaving this term. Early notice is a must and compulsory requirement as per the school’s policy as it allows us to plan ahead for the new term and we can refund your deposit on time. Please let Ms. Bajracharya in the admissions office know should you require any school documents/references to provide to the new school. The last day of providing the formal notice either by email or in writing regarding the withdrawal of your child/children would be Wednesday 20th November.

Therapeutic Play Room
We are currently in the process of setting up a Therapeutic Play Room in school, and would be incredibly grateful for donations of unwanted toys and games with an age range from 3 to 12 years. Ideally we are looking for the following (but open to anything you think could be of use) and any extras we will share amongst our early years classes or community schools. Musical toys or instruments, Unwanted arts and crafts materials, Miniature toys or symbols (e.g. religious items, mini statues, animals, shells, cars/vehicles), Puppets, Dressing Up, Costumes or Masks, Old Sheets or Material, Building or Construction Blocks (Lego/Wooden/other), Dolls House/Dolls and Kitchen play items, Storybooks. Please leave these in a bag at the reception clearly labelled for attention of Emma Scott by 22nd November. To contact her please e-mail escott@tbs.edu.np. Thank you for your support!
