Principal's Message

As we approach the end of the first term, it is time to take a breath and reflect on everything that has been achieved by our students and we will do this in our Whole School Assembly on Friday; this will take place at 1:30 pm in the Main Hall and you are invited to attend.

Thank you to the parents that attended the session today looking at the traffic problems we experience every morning and afternoon around school. We identified some of the problems contributing to this issue and some possible solutions. Watch this space for new guidelines which will help keep our students safe and make the traffic “flow” more manageable.

We have had lots of parents in school during the week for Year 7 consultations. primary consultations, expedition meetings, early years nepali lunch and exit points; I hope you found them informative and useful.

It has been a fabulous Health and Wellbeing week with lots of activities, including a ‘Drop it and Dance’, a Health Fair including a blood ‘drive’, anti smoking and drug campaigns, healthy eating etc. Thank you to everyone involved in making this happen.

We also had a UK theatre company visit school on Wednesday, who provided a variety of workshops for our Secondary students on Shakespeare, Japanese theatre and mask acting. It was a wonderful day with the students learning so much in such a short space of time and having such fun in the process.

As you know, community and service work is a key feature of our school and our vision. There are many parents and friends of the school who do remarkable work in this field and we would like to highlight this. If you would be interested in giving a small talk on the work you do, please contact me and I hope to put together a schedule of talks throughout the year, which would be open to all members of our community.

Unfortunately, some School ID passes are being swapped around; please do not lend your pass to another person and if you wish to apply for a school ID pass for one of your ‘helpers’, please contact Reception.

I sent out a letter to all parents yesterday regarding Expeditions and Residential after the term break; if you haven’t read this yet please read it here. If you have any questions regarding this, please do not hesitate to contact me.

Finally, I would like to wish you all a happy Dashain and hope everyone enjoys their holiday. We look forward to welcoming you back on Monday 21st October.

Have a lovely end to the week and weekend.

Brian Platts
Recent and future events
GCSE and AS Awards Assembly
Thank you to HE British Ambassador, Richard Morris, all parents who attended the awards assembly yesterday. It was amazing to see such celebration of the hard work and dedication of our students. Also thank you to the students who performed musical pieces! Please click here for the photos of the event.

New Languages Options - Engage Portal
If you would like to view the Engage Portal in your mother tongue please log out and then log in again. You will then have a language option above your username. The choices of language are: Arabic, Chinese, Korean, Spanish, Bahasa Indonesian, Vietnamese, Thai, French, Bahasa Melayu, UK English, US English, South African.

Exit Points
Thank you to those parents and relatives who attended the recent IPC Exit Points in Primary. Well done to the staff for organising these and the students for showcasing their learning in such interesting ways.

Food Policy
A polite reminder that our policy states that for health reasons we cannot distribute sweets, cakes or biscuits to children in relation to birthdays and leaving gifts. This is to ensure that we do not unwittingly give a child a food item that they cannot eat. Please can we all adhere to this to avoid embarrassment to parents, students and staff. Should you wish to provide a small non-edible gift to share with your son or daughter’s class, please can you do so during after-school hours (and not at the beginning of a school day). The policy is currently being reviewed, but we appreciate your support and cooperation with keeping to the current arrangements and expectations. Thank you.

Primary Parent Teacher Consultations
I hope you found the consultation with your child’s class teacher useful this week and last. Thank you to all those parents who attended. Next term we will be holding Parent Teacher Open Afternoons, where your child will lead the discussion and talk about their learning.

Students made kites and planted barley seeds to grow jamara in their Nepali Lesson.
Wishing you Happy Vijaya Dashami 2076.
