Dear Parents, Staff, Students and Friends of TBS,

Congratulations to all of the students that participated in the QKS (Quality Kathmandu Schools) Maths Competition last Friday. We had several schools join us here where our students were able to it ‘pit’ their skills against their peers in a friendly yet competitive environment! One of our teams (we had three) came out as winners, so further congratulations to them.

Please do check your emails this week as the Secretary of the Board of Governors, Mr. Simon Wooldridge, has written to all parents regarding the AGM and the application process for a vacancy on the Board, following the resignation of Mrs. Bahar Kumar, after two years of committed and enthusiastic service: thank you so much Bahar. I would urge all interested parents to apply and ask any questions regarding this exciting opportunity.

Next Tuesday, the Primary School is offering another opportunity to come and speak with your child’s teachers about their learning and development (please see details below).

Finally, the notice for withdrawal is next Friday, so please ensure you contact Ms. Bairacharya, if you will be moving onto pastures new next year.

Have a lovely end to the week and weekend.

Brian Platts

Recent and future events

Annual General Meeting - Sunday 9th June

The AGM this year will be in the form of a community event with BBQ, games and a cash bar. Please mark on your calendar Sunday 9th June from 4pm until 6pm for this event. There will be a 20 minutes presentation from the Board of Governors to present the overall report of the year. Please RSVP to Ms. Khetan if you are able to attend.
Intention of Withdrawal
Thank you to those parents who have confirmed that your child/children will be leaving this term. Early notice is really helpful as it allows us to plan ahead for the new academic year. Please let Ms. Bajracharya in the Admissions Office know should you require any school documents/references to provide at the new school. The last day to inform school about the withdrawal is Friday 31st May so that we can return your deposit in full and in a timely fashion.

TBS World Cup
As part of the fundraising we do for our TBS community projects, we will be hosting the Kathmandu World Cup Football Tournament on Saturday, 8th June 2019. We would like to extend a warm invitation to you and/or your organisation to participate in this exciting and worthwhile event. This tournament is open to all abilities and genders. The total participation fees will be 10,000NRS per team. The tournament is strictly for participants aged 17 and above. This will be a 5-a-side tournament, with a maximum squad of 10 players. The closing date for entry is 31st May to give us time to put all necessary arrangements (tie sheets, game plans and other organisational issues) into place. Keep in mind, due to the limited space, we will only be able to guarantee places for 12 teams and interest is already high. Therefore, places will be allocated based on a ‘first come first served’ basis (1st teams to submit forms and money will receive the places). If you need further information, or if you would like to give an extra donation please feel free to contact Ms. Griffin.

Employee of the month - May
We are delighted to announce that Mrs. Nardevi Ghimire from our Ground Staff has been awarded as the Employee of the month. On this occasion, we would like to appreciate all the hard work on making sure the school site is clean and would anticipate the same passion in coming days.

Parent and Child Open Afternoon - 28th May
On Tuesday 28th May we will be holding a ‘Parent and Child Open Afternoon’ from 2:40 pm to 5:00 pm. This meeting will be led by your child who will show you their work from this year and will tell you about some of their learning and the progress they are making. The class teacher and class learning support assistants will be there to guide them through this and it is vital that your child attends with you. Please email to Ms. Analisha Dangol at or Ms. Isha Tamrakar for your attendance. We look forward to seeing you on Tuesday 28th May.

University Week 17th to 21st June
To thoroughly support the difficult, potentially complicated, university application process we will be running University Week. This is dedicated to giving the students all the information and research resources they need, so they can begin to plan their future university or college applications. Parents are welcome to attend morning nano sessions at 8 am in C3. Please click here for the letter.

Secondary Gardening Club
The gardening club in Secondary still needs your plastic! Please bring in any unwanted plastic cups and bottles, plastic tubs (take away food etc) to grow seedlings for organic herbs. Please bring your unwanted plastic to L3 in the Secondary block, or to the Secondary Office. Thank you! Organic herbs for sale soon!
