Dear Parents, Staff, Students and Friends of TBS, Students and staff have been very active in recent days in linking up with their community partners. This week is Year 7 charity week and we invited Shree Tika Vidyashram students into school yesterday for a planning meeting to decide how they wanted to invest the money that we will raise. On Sunday TBS staff went to help cut the grass at the school and we had a great time doing some good physical exercise and meeting students and staff. Parents have also been active in this school and have transformed classrooms with their painting and decorating skills. In the next few days various TBS groups and individuals are visiting our Dhading schools, arranging visits to Sungava and the Umbrella Foundation, welcoming DNC and Suryadaya children into school and linking up with Mary Ward School to discuss future projects. At times when international news seems to be rather gloomy, we can perhaps take heart that by encouraging TBS children and students to contribute positively to their community and to serve others, they will grow into the sort of people who will contribute to creating a better world for us all!

**Recent & future events**

**Fuel update**

No significant changes on the fuel situation. Except for the gas bottles for the portable heaters that we can usually deploy around school at this time of year, we continue to be well-stocked and are running as normal. The school buses continue to be able to run as normal although our suppliers are still not yet in a position to extend the bus service beyond our existing routes. We have no major concerns at the current time!

**The U15 FOBISIA Vietnam games basketball (and football) champions!**

‘Life isn’t about finding yourself. Life is about creating yourself’ - George Bernard Shaw
TBS cricketers learn from the MCC and the Nepal national side
A selection of TBS cricketers were invited as special guests to the Nepal national cricket stadium on Monday 23rd November to watch the Nepal national side take on the touring Marylebone Cricket Club (MCC) from the UK in a 20/20 fixture. The event was a great opportunity for the students to see some of the cricketers who have been learning during their after school activity. The students also had the opportunity to meet and ask the touring players questions which included some current professional English county players. The day was a great success and hopefully this opportunity will help inspire and motivate some of our young cricketers to become the next generation of superstars!

TBS Community Shop - Christmas sale
Perhaps it seems early to be thinking of Christmas, but in the TBS shop we are supporting those looking for stocking fillers. What better way could there be to say Merry Christmas than with a TBS ‘Mug with Leaves’. On sale this week for a bargain 330NRs!

Calling all photographers!
Ms. Hinchly launched the TBS photography competition in assembly last week. Full details can be found [here](#). There are categories such as My Nepal or People and Places to help you decide which photographs to submit and the deadline is 4th December. Let your creativity shine through!

Sixth Form Information Evening - 7th Dec
Making decisions about life after IGCSEs is an important step in a student’s academic career. In order to help them and their families in this process, we are hosting a Sixth Form / A Level Information Evening from 6pm until 7:30pm on Monday December 7th in the Main Hall. All parents and students are strongly recommended to attend. There will be information about the various options available after IGCSEs as well as information about life in the TBS Sixth Form. Afterwards there will be a chance to talk to teachers about the different subject options available for individuals as well as the chance to have more in-depth consultation about general issues.

For those who would like to visit the Sixth Form Centre, located just over the road from the main site, the gates will be open from 5.30pm and we will be very happy to invite visitors to look at our facilities or come and have an informal chat.

U15 FOBISIA Games
If you follow the @TBSsport twitter feed you will know that the students did very well at the recent Vietnam FOBISIA games. The girls emerged as both football and basketball champions, whilst TBS boys came 3rd in their football tournament. TBS won 23 medals in athletics and 13 in swimming coming 4th overall in both of these. We are improving quickly across the range of sports we offer and this is due to the hard work and dedication of students and staff (and parents who support them all!). Well done!
