10th August 2016

Dear Parents,

**Olympic Week Exit Points and Closing Ceremony Assembly - Friday 19th August from 1.40pm**

Our first IPC (International Primary Curriculum) topics for the Primary school are all based around the Olympics. Each class will be carrying out a range of activities from practising skills and techniques for athletic events to learning about Brazil, its culture and language. Each year group has also been assigned one of the competing countries which they will research and learn about.

For our entry point to the topic the children will be introduced to at least one new sport so we would appreciate it if they could come to school with **trainers/sports shoes on Monday 15th August**.

On **Friday 19th August** we would like to invite you to our exit points to see what the children have been learning through the week. From Year 1 through to Year 6, at 1.40pm, the children will be explaining their learning and showing you some of the work they have carried out during the week. This will take place in their classrooms. We will then finish the week with our whole school assembly which will take place in the hall from 2.00pm where a range of children and year groups will be performing as part of our closing ceremony.

We are looking forward to a very exciting beginning to the school year and are sure the children will enjoy the range of activities that will be taking place throughout the week.

Yours sincerely

Mrs. Jenny Swift                        Ms. Maifa Fillion
Head of Key Stage 2                 Head of Early Years and Key Stage 1
