Dear Parents,

Return to campus guidelines

As we continue to provide online continuous learning, whilst the school campus is closed, we are working hard to prepare for when the school reopens.

We are expecting to reopen the campus on Monday 17th August, when the 2020-21 academic year will commence. The decision to open the campus will be based on meeting the following criteria:

2. Rate of infection decreases to ‘manageable levels’ in Nepal (in the absence of a credible R0 number).
3. Clear TBS safety (social distancing) guidelines for campus agreed and understood by staff, students and parents.
4. The campus is sanitised, ready and safe.
5. Evidence that social distancing rules are effective in other schools and are not causing an increased risk to all stakeholders.
6. Campus provision (under the new guidelines and restrictions) is equal or better than what is being provided online.

If the criteria is not being met and is unlikely to be so, we will endeavour to communicate a new date for the reopening of the school campus at least one week before the 17th August.

We have three weeks until the end of this academic year. We will be using this time to consult and refine our initial ideas for how we would reopen the campus in a safe and manageable manner. An important part of this consultation is with you, our parents. To this end, we will run through our initial proposal on Monday 15th June at 5:00 pm via the Zoom platform (it will be recorded for those that are unable to attend). We look forward to seeing you on Monday where we will collect your verbal feedback, as well as distributing the written guidelines for subsequent written feedback.

On Friday 19th June, at 5:00 pm, we will provide a further parents meeting via Zoom, outlining the school’s financial strategy for next year, including clarification on the termly fees. Further details will follow.

Yours sincerely,
Brian Platts
