Dear Parents, Staff, Students and Friends of TBS,

It has been another successful week with lots of great lessons and summer examinations for the secondary students. The Primary FOBISIA team left for Regents School, Bangkok on Wednesday and I am sure they will have a great time. After all this hard work, everyone deserves a peaceful short half term break (but we will spare a thought for the examination groups whose examinations continue - and the teachers who will be invigilating!).

We return to school on Thursday 4th June for the final half term of the year and there is a lot in store. Creative Arts week will be one of the highlights and we have special secondary Science activities, lots of opportunities for fun and learning before the end of term on 26th June and by the end of the TBS activities week that follows.

NB - Follow us on Twitter @TbsKathmandu - it is another way we can get messages to parents if we need to.

Happenings & Events

FOBISIA Games
This week saw the Year 5 students off for their FOBISIA competition. We hope they win a few medals but, more importantly, to enjoy friendly competition and to improve their own skills.

Year 7 & 8 Parents’ Evening
There will be a Years 7 & 8 Parents’ Evening as soon as we return on Thursday 4th. It will begin at 3.45pm and end by 5:30pm. Ideally students should attend with their parents.

Dhading trip
A small party went to visit our Dhading schools on Monday and the TBS Charity projects continue to make progress. For full details do read the updates on our charity work.

For all dates please visit the calendar on the TBS website. Follow us on Twitter @TbsKathmandu for all the latest updates.
Primary class webpages!
Just a reminder that primary class webpages are now operational and have lots of useful work for children and key events and dates relevant to the particular year group.
- Foundation 1
- Foundation 2
- Year 1
- Year 2
- Year 3
- Year 4
- Year 5
- Year 6

Follow the link to have a look! If there are other resources you would like us to develop on these pages, do talk to the class teacher. Not everything is currently possible with google sites, but they are improving all the time.

TBS Postcards on sale in the School Shop
We are selling everything from PE kit to TBS Yetis in the school shop. A new addition this week are some beautiful postcards with artwork showcasing the talents of a number of our students. Thanks to Miso, Malvika, Sikha, Harshita and Pramudita for sharing their work.
The school shop and tuck shop do not make a large profit, but any small profits generated do go to the TBS charities. If you do have suggestions for useful items we could sell in the school community shop, do let Ms. Rachana Adhikari know.

Year 6 Parents - Preparation for Year 7 meeting
We held a transition day for Year 6 earlier in the term, but it would be good for Year 6 parents to meet Ms. Hands briefly to check everyone is prepared! There will be two short meetings (8.15am or 2.30pm) on Monday 15th June. Please come to the one that suits you best and it will last for ten minutes or so with a chance for you to ask any questions.

TBS Activities week!
The activities week will begin on Monday 29th June. Please do check the list on the registration table on the way into school. We don’t want to have to disappoint anyone later on, so it would be good to double check your child’s name is on the list.

Mr. Rigby explains earthquake theories to Foundation 2 using Oreos!

Admissions for 2015-16
We restart on Monday 17th August 2015. In case anyone asks about admissions to The British School in August, we are currently close to our capacity, but we have a last few spaces left in some year groups at the moment. Further details relating to admissions can be found on the website. Mrs. Sthapit-Priest can answer any queries via email (tsthapit-priest@tbs.edu.np) and Ms. Manisha Bajracharya (mbajracharya@tbs.edu.np) can organise a visit to the school.
