E-Safety

By Yr 7,8,9 & 10
Cyber bullying

- Revenge
- Jealousy
- Frustration
Trolling

- What is it?

- Example of trolling
What can you do about it?

By Karma, Swareena and Zanne year 8
Online safety

Presented by:
Dhanvi and Bashuda
Year 9
Pharming

Malicious code is installed onto a personal computer or server so that once you open a genuine website it redirects you to a bogus website.
Phishing

Fraudsters will send emails to people, with a sense of urgency to trick you into telling them your personal details.
SMiShing

This is when you are sent an SMS which lures you into giving your personal details, using different methods.
(I.e. Winning a Million dollars, or contests.)
