4th March 2022

Dear Parents,

Expeditions

We are delighted to inform you that as the COVID situation has continued to improve, we are going to be running an adapted Primary Expedition program this year.

As you are aware, at TBS we are focussed on developing students' academic, creative, social and emotional understanding and skill set. We believe that expeditions support all aspects of your child's learning experience, thus enhancing academic progress as well as their social and emotional wellbeing. Through spending time off campus and a night away from home, TBS facilitates the students in developing their independence whilst providing a safe and welcoming environment where children are with trusted adults who they feel supported by.

Activities during the expeditions will develop social skills such as team building and collaboration and will give students opportunities to use their creative thinking, growth mindset and problem solving skills.

Due to the ongoing restrictions, the program has been reduced to a one night stay for all year groups and the schedule is detailed below:

Year group	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Expedition	Camp TBS	Camp TBS	Camp TBS	Tiger Tops camping at Sankhu	Summit Trekking at Hatiban	The Last Resort camping at Hatiban
Date	31st March to 1st April	31st March to 1st April	31st March to 1st April	24th to 25th March	24th to 25th March	31st March to 1st April

All year groups will go off campus during the day, Years 1 to 3 will then return to school Camp TBS, Year 4 to 6 will stay at the venue detailed above.

We encourage all students to attend these expeditions to maximise their learning opportunities and broaden their experiences.

Your child's class teacher will be in touch shortly with further details and the date of a meeting to brief you about your child's expedition.
