22nd March 2022

Dear Parents and Carers,

Year 9 Reporting Point 2 - Progress Review

Reporting Point 2 was published on Monday, 21st March. It is available to download from the TBS Parents' Portal. Please log in to the portal and click on 'View Details' in the 'Pupil Details' box. The report will be available under the 'Assessment Reports' tab. Please contact [Mr Soyam Khanal](#) if you require any technical assistance.

This report is a review of your child's progress to date. It contains your child's progress and prediction indicators. Also included in this report is an attitude to learning score and the target grade set in RP1 which your child has been working towards, with a traffic light to indicate whether your child's teacher believes they are on track to meet their target by the end of the year.

Parent Teacher Consultations

Following the report publication we have scheduled an afternoon for Parent Teacher Consultations on **Wednesday, 6th April** for Year 9 parents and students. This should not be regarded as an optional event as it is an opportunity for you to follow-up on your child's report and discuss their progress.

Individual teacher meetings will take place **in school between 4:00 pm and 6:30 pm**. Your child should have already discussed your availability for this session and will make appropriate timed appointments with their teachers. If your conversation requires an extensive discussion, we encourage you to make an additional appointment with the teacher concerned.

Please complete [this](#) form to confirm that you have received this letter and to let us know whether we can expect that your child will be booking appointment slots for you. We understand that there may be unavoidable circumstances that prevent a parent/carer from attending campus on this day (such as isolation due to Covid). If you are not able to attend the campus for such reasons, please contact [Ms. Saiya Maharjan](#). An outline of our reporting procedures has been included below for your information. We look forward to seeing you at the Parent Teacher Consultation on **Wednesday, 6th April**.

Yours sincerely,

Ms. Hilary Knowles
Assistant Head

Reporting: Contents and Guidance

Over the course of the year, you will receive information on your child's progress at three reporting points. The first target setting report was followed by a Parent Teacher Consultation in November. This Reporting Point 2 is a progress review which will be accompanied by a second Parent Teacher Consultation, detailed above. Reporting Point 3 will be a review of the year with written comments from teachers to explain what your child is doing well and what they need to focus on to continue to progress and improve.

At each reporting point, the following data will be shared with you:

TG - Target Grade

- CAT scores (Cognitive Ability Tests completed at the start of each key stage are used as one way to measure potential achievement) and the teacher's knowledge of the student combined with their previous performance are used to set an ambitious target for the **end of the course**.
- Once the target grade has been met, it will be raised, and the subject teacher will issue a new target grade to ensure we are constantly challenging our students.

PG - Predicted Grade

- The predicted grade is the grade the teacher believes, in their professional judgement, the student will achieve by the **end of the key stage**. This will be based on current performance against the relevant criteria, rate of progress so far and approach to learning.

CWG - Current Working Grade

- This a cumulative overview of the quality of the students work based on classwork, homework and tests, as measured against the relevant grading criteria;
- It is not their latest test score or based solely on the unit currently being studied.

TL - Traffic Light

	Meaning
Green	On track to meet or exceed their target grade
Amber	Making progress but not yet on track to meet target grade
Red	Making little to no progress and on track to miss target grade by at least 2 grades

AtL - Approach to Learning

- AtL grades will be awarded based on a 'best fit' approach;
- The AtL grade awarded **does not** take attainment into account;
- The grade awarded is personalised.

AtL Grade	Descriptor	Criteria
1	Excellent	<p>An excellent learner will consistently:</p> <ul style="list-style-type: none"> • Seek to understand strengths and areas for development and challenge themselves to improve; • Make changes to their approach after responding to feedback and support; • Go above and beyond the work set, for example attend extra rehearsals/ practises or carry out additional research on a topic; • Have the confidence to take risks; • Be inquisitive and creative, exploring new ideas and innovations; • Contribute fully to groups and teams, demonstrating kindness and compassion to other community members; • Meet all of the 'good' criteria below.
2	Good	<p>A good learner will consistently:</p> <ul style="list-style-type: none"> • Meet deadlines; • Be punctual; • Be fully equipped for learning; • Respond to feedback; • Be engaged with their learning; • Work well with others; • Attempt tasks they find difficult; • Follow instructions.
3	Positive Action Required	<p>Where there is positive action required, a learner will be inconsistent in their approach to the 'good' criteria for the period between reports and incidents will have been recorded on Engage as appropriate. Teachers should detail what action needs to be taken.</p>
4	Cause for Concern	<p>A learner who is a cause for concern will consistently fail to meet the criteria for a 'good' learner for a sustained period of time, usually over the course of two or more reports, or poor behaviour will be a consistent barrier to their learning. Therefore it is highly unlikely that a student should go from a '2' to a '4' over the course of one reporting period.</p>

New Alpha-numeric Grades

Grading for IGCSE is currently in transition from A*-G grades to a 9-1 system. Different subjects from different Examination Boards are at different stages of transition. To accommodate these changes we have moved to an alpha-numeric grading system so that all subjects at TBS will be reported in the same way throughout KS3 and KS4. The new grade ladder is shown opposite for your understanding.
