30th March 2022

Dear Parents and Carers,

## AS Option Choices

We are pleased to let you know that we are now in a position to invite our Year 11 students to select their final option choices for the AS courses that will begin in August.

The option combinations that we have made available have been strongly guided by the responses to the student survey that was taken following the options' evening. Based on that feedback and bearing in mind other practical and operational factors, some of the subjects that were initially surveyed to gather student interest will not run. Nonetheless we feel that from the selection of subjects on offer, students are able to choose a robust, coherent programme of study that maximises their options for future tertiary education in college or at university either in Nepal or overseas.

Students have been sent this [form](#) on which they have been asked to select four subjects from the blocks below with a maximum of one subject from a block. Please note that Mathematics should only be selected once.

Block A	Block B	Block C	Block D	Block E
Design Technology	Chinese [AS only]	Media Studies	Art	Chemistry
History	Mathematics	Physics	Biology	Drama
Mathematics	Physical Education	Psychology	Computer Science	Economics
Music	Sociology	Spanish	English Literature	
			Geography	

If you have any queries, please do not hesitate to email me [hknowles@tbs.edu.np](mailto:hknowles@tbs.edu.np).

Yours Sincerely  
**Ms Hilary Knowles**
