4th May 2022

Dear Parents and Carers,

Year 11, 12 and 13 Residential Trip - 27th/28th June 2022

On Monday 27th of June, we are planning to take our current Year 11, 12 and 13 students on a one-night residential trip. This is a very exciting opportunity for our students who have not participated in an expedition trip for more than two years. The trip will encompass many activities that develop our 5Cs such as working together, team building, creativity, personal challenge and confidence building. As a school, we feel it is important to have our current Year 11 and 12 students on this trip as their participation will aid their cohesiveness as a Key Stage in the next academic year. For our Year 13 students, it would be a lovely way to end their time at TBS, interacting with their peers and mentors in a different environment.

We will depart school on the morning of the 27th of June and return to school on the 28th of June. Due to the date of the trip, it is likely that we may encounter rain. As such, we are looking for a venue that has suitable indoor space(s), should we encounter inclement weather. Students will not be camping.

I would appreciate it if you could complete this [Google Form](#) to indicate your child's tentative attendance on this trip **by Friday 6th May**. This will help us enormously to determine approximate numbers when choosing a suitable venue and for planning appropriate activities. Closer to the date, we will provide you with a more comprehensive overview of the trip, the planned activities, accommodation and travel arrangements. The cost of the trip will be covered by the school and will include transport, accommodation and food.

We strongly encourage your child to participate in this residential trip as we believe that it will be a truly valuable experience. Should you have any initial questions, please feel free to contact me (lgrieve@tbs.edu.np).

Yours sincerely

Miss Linda Grieve
Head of Key Stage 5
