7th June 2022

Dear Parents and Carers,

Careers Carousel

We would like to invite you to get involved in our careers education provision and to share your professional expertise. It is wonderful to see the range of interesting skills and knowledge we have within the TBS community, and our students will certainly appreciate the opportunity to benefit from this wealth of experience.

We would like to invite you to participate in a careers event we are planning for our Year 9 and 10 students. The event will ideally involve 15-20 individuals, from a variety of professional backgrounds, set up at a number of stations around the hall. Students will be provided with a brief summary of the different careers represented, and will then be invited to visit each guest for not more than 5 minutes each, asking them questions about what they do and the pathways that led them there.

I hope that you will be able to participate in this event. Please complete [this form](#) to confirm you will be able to attend. We are hoping to hold the event on either 23rd or 24th June. Please let us know, by selecting the options on the form, any days or times during that week that you are available so we can find the time most amenable to the largest number of people.

Please feel free to forward this letter and form to anyone else you think may be interested in taking part.

Thanks again for your support,

Yours sincerely,

Ms Florence Gurung
Humanities Teacher and Higher Education Coordinator
