24 June 2022

Dear Parents and Carers,

Summer Fair, 29th June Community Projects Fundraiser

On Wednesday, 29th June, we will be running a Summer Fair for all TBS students. This will involve our Secondary students, Primary Community Ambassadors and Eco Warriors creating fun stalls in small groups to raise money for our community partners.

This event will be cashless to ease any concerns there may be with students handling money. Students will be able to purchase tokens prior to the event. Each token will cost 50 NPR. All money raised will go towards our Community Projects. The school will provide all students with two tokens; we would like to ask you to support our Community Partners by sending in money for additional tokens. Primary students can hand this money to their class teacher and will receive their tokens from their teacher on Wednesday just before they go to the fair.

Secondary students can purchase these tokens from our Student Leaders starting from Friday through to Wednesday morning. The Student Leaders will be coming round to classrooms to give students the chance to buy the tokens. The prices of stalls will vary depending on the product or the activity provided.

Other than the Secondary students being off timetable from lunchtime, there will be no change from the school day. Primary students will be leaving the fair at the regular time of 2.30pm to go home, and the Secondary students will be at the usual time of 3.30pm.

The Primary and Secondary student leaders have designed this event to bring our student community together and support our community partners. We are delighted that we are in the position to conduct events such as this to cement the great relationships we have built over the years. It would be fantastic if you could support the event to ensure we can have a hugely successful year-end.

Yours sincerely,

Mr. Matthew Randall
Key Stage 3 Leader

Ms. Rianne Wiggers
Assistant Head of Primary
