Dear Parents,

TBS Fee Structure 2022-23

Please find attached to this letter the tuition fee schedule for the 2022-23 academic year.

After careful review of the budget and our current enrollment projections, the Board of Governors has voted to increase fees across the key stages by 6% next year. This is never a decision we take lightly, but we believe it is necessary to ensure the financial wellbeing of our school into the future. This will be our first fee increase since 2019, following decisions by the Board in 2020 and 2021 to freeze fees in order to support families struggling with the uncertainty of the pandemic. Throughout this period, Nepal has continued to experience unusually high levels of inflation (now more than 7%), and as a consequence our costs of operation have continued to grow. This fee increase will allow us to continue providing the high quality program of education and student care that we all believe in.

The past two years have brought unprecedented challenges to both the operations and the finances of our school. We have come through this difficult period in a strong position only because of the tremendous support shown by our families, our teachers, and our staff. As a board, we wish to express the deep gratitude we feel for the solidarity and collaborative spirit we see in our community every day.

As the year draws to a close, we wish you all a wonderful summer and look forward to meeting again in the fall. For those of you moving on to new destinations, we hope you will remember your time at TBS fondly.

As always, questions and comments can be directed to the school Principal, Ms. Caroline Drumm (cdrumm@tbs.edu.np), or the Board chair, Mr. Peter Graif (pgraif-gov@tbs.edu.np).

With kind wishes,

The TBS Board of Governors
