Half-Day Closure Monday September 19th

Dear Parents and Carers,

As The British School, it is appropriate that we formally mark the death of Her Majesty, Queen Elizabeth II, who was the British monarch for 70 years. Her state funeral will take place in London on the morning of Monday September 19th. As this will be the afternoon for us here in Kathmandu, the school will therefore close at lunchtime on this day.

Students in Early Years and Primary can be collected at 11:45am and students in Secondary can be collected at 12pm. This will allow our British students and staff, as well as those from all over the Commonwealth, to observe this historic occasion alongside their fellow citizens.

The book of condolence at the school gate will remain in place until this time and parents and carers are welcome to leave a message in this book.

Yours sincerely

Ms. Caroline Drumm
