## Whole School Parent Information Session: Physical Education Monday 5th September 4.40pm-5.15pm

Dear Parents,

We would like to invite you to a parent information session on Monday 5th September to discuss Physical Education at TBS. The session will run from **4.40pm-5.15pm in the hall**.

The Physical Education Department delivers a challenging, inclusive and innovative curriculum that focuses on the effective learning of knowledge, skills and understanding so that every student can strive for excellence in improving their sports performance and acquire the tools to become a lifelong physical practitioner.

The session will explain both our physical education curriculum offer as well as the extra curricular offer. We will discuss the different FOBISIA events and how students can apply to be a part of these teams.

We look forward to meeting you all, sharing our vision for physical education and answering any questions you may have.

Yours sincerely,

**Dr. Jessica Barnecutt and Ms. Sally Moulds**  
**Deputy Headteacher for Secondary and Deputy Headteacher for Primary**
