Dear Parents and carers,

Y10 English - Coursework Outing

As you are aware, your child is completing a coursework portfolio as part of their English Language IGCSE. This involves the creation of three original pieces of work, one of which is a descriptive writing piece.

In order to expose the students to a situation that will provide them with an environment that inspires descriptive writing we have arranged a visit to Boudhanath on Wednesday 12th of October. This will be a valuable opportunity for students to immerse themselves in a sensory environment and develop their perspective.

The students will have the opportunity to explore the environment around Boudhanath in the morning before having lunch and settling into a writing workshop for a section of the afternoon. Lunch will be available to purchase at the location we will be using as a base. Other options for lunch, such as bringing a packed lunch, will be shared with students once the venue is confirmed.

The trip will span the whole normal school day: we will leave by bus after registering the students in the morning and return by the end of the normal school day so that the students can still attend any clubs they have that day.

All staff and students will follow safety procedures and protocols as per school policy at all times.

Please respond to the [form](#) attached to this letter as soon as possible to confirm that you are happy for your child to attend this outing.

Yours Sincerely

Mr. David Jamieson
Head of Faculty - English & Literacy
