Dear Parents/Carers,

Year 9 ICT Assessment

As we approach the end of KS3, the Year 9 ICT students have a series of upcoming Cambridge assessments they must complete to be eligible for a certificate in ICT. Each assessment requires an 1hr and 30 mins window to complete. These assessments must be completed in a single session, so the school intends to run them from **14:30 to 16:00**.

The session for **Year 9B** will run on **Monday, the 27th March** and the session for **Year 9A** will run on **Thursday, the 30th of March**.

Past paper examples have been posted on the Google Classroom to help the students prepare for the test.

I would like to thank you for your support in this.

Yours Sincerely,

Mr Alistair Paul
Head of Dept. Computer Science
