Dear Parents and Carers,

Y9 IGCSE Language Choice

As the year 9 students look towards their GCSEs starting next year, we are keen to get them started on their language course as, though they are a couple of years away, the language exams in year 11 are always very early in the year. For this reason, the year 9 students will begin their IGCSE course for their chosen language this term rather than next. We will be asking the students to provide us with their confirmed choice of language after returning from the half-term break. We ask that the students return this form to their language teacher no later than Tuesday 30th May to be allocated their chosen language which they will start studying from Monday 5th June. From this point, they will continue with only one language. Students will submit their confirmed choices for their other subjects at a later date.

If you have any questions, please do not hesitate to get in contact at hmarston@tbs.edu.np.

Yours sincerely,
Harriet Marston
