Students undertake a series of observations and insights on the theme of Food and Drinks. They will explore this theme from a variety of processes, including watercolour, mark making, ceramics and oil paint. The foci will be Colour, Form, Line and Composition.	Students will complete 4 compositions blended holistically from the themes explored. They will research 3 artists and their artistic styles, writing 200-300 words of visual analysis. They will decorate their compositions in the styles of these artists, showing synthesis.	The Externally Set Task follows the same process as the coursework. However, the project is chosen from a starting point taken from an examination paper issued by CIE. All preparatory work is undertaken during lesson time and Extracurricular. The final piece for this project is created under examination conditions during an 8

Assessment in Art and Design is ongoing throughout the year and will focus on the ability and command of the formal elements: line, shape, tone, texture, colour and composition, with multiple opportunities to demonstrate progression of skills. Students are required to demonstrate creative input as well as to make connections with the work and process of other artists. In addition to teacher assessment, there will be opportunities for self-evaluation and peer assessment at regular intervals.
