Dear Parents,

Meet the Mentor and Start of Year Parent Information Sessions

I am very pleased to be writing to you all today, letting you know about our new initiative to keep parents more informed and connected with the secondary school.

Following feedback from last year's parents we are introducing a range of 'Meet the Mentor' events, coupled with some additional Parent Information Sessions (PIS) close to the start of the school year. These Meet the Mentor events are a perfect opportunity for you to meet your child's mentor early in the academic year and ask any questions that you may have about the secondary school.

We will also be running some additional Parent Information Sessions (PIS), which will follow the Year 7, 10 12 and 13 Meet the Mentors events. These will focus on specific age related topics to help you understand the next phase of your child's education. Please see the list below to find out the date and main focus for each of the Parent Information Sessions.
