15th September 2023

Dear Parents and Carers,

Secondary E-Safety for Parents of Teenage Children

Following a week of E-safety assemblies for students we would like to invite secondary parents to a Parents' Information Session on digital and internet safety next Wednesday 20th at 8.15 am to 9.00 am in the secondary library.

The presentation will be drawing heavily on the resource [internetmatters](https://www.internetmatters.org/), a UK based not for profit organization dedicated to keeping young people safe online. We will give an overview of the main online risks for teenage children, so advice for parents including guidance in setting controls, and importance of having open dialogue with your children to help ensure that are can be kept safe in the digital world.

Yours sincerely,

Mr Christopher Draper
Secondary Headteacher
