Dear Parents and Carers,

Christmas Gift Bags for Our Community Partners

As we look forward to the Christmas season, a time of generosity and gifts, we are keenly aware that our school community lives in a wider community with many children who are in need.

This season, as part of our community work, TBS would like to bring in the spirit of Christmas and reach out to four of our community partners - **Disabled Service Association, Hope Rising Children's Home, Mary Ward - Jhamsikhel and Mary Ward - Lubhu**. We will be supporting them by providing each child from these schools and organisations with a Christmas gift bag filled with essential items.

Our goal is for our students to reach out to those who are in need and fill the bags themselves. Items that can be included in the bag must be new and in order to keep all the gift bags similar, we request you not to spend more than 1000 NRs per bag. You are always welcome to fill more than one bag.

Given the nature of these bags, it may be a good idea to go shopping for gifts with your child so that they are involved in the process and gain a deeper understanding of the meaning of giving, as it is so important at this festive time.

If you would like to participate, please follow the instructions enclosed with this letter.

We will be providing children with the bags tomorrow, Friday 24th November and the Primary Community Ambassadors will be collecting filled bags from classrooms from **Monday, 27th November until Monday, 4th December**.

We appreciate your support and hope that together we can make a difference and bring some joy to the less fortunate children in our community.

Yours sincerely

Ms. Sangita Pandey
