31st January 2024

Dear Parents and Carers,

TBS Spirit Week is Coming!

Next week, our student leaders will be hosting a TBS spirit week to celebrate our school identity as a whole community.

The week's programme is below and [this video](#) will give you a taste. Students are invited to take part in the dress up days, but there is no requirement to do so and plenty of other fun things will be happening around campus too.

Monday Extend the weekend into the week and get comfy by wearing your pajamas to school!

Tuesday Bring anything but a school bag! Get creative and bring your school resources in any other container you would like for example, a bucket or a pushchair.

Wednesday Teacher appreciation day! Dress up as your favourite teacher and look out for secondary taking on some teacher roles during the day.

Thursday The British Gurkha Band will be in school to get us marching!

Friday Loving Kindness Day! Students will have opportunities to send kindness cards and gifts to show their appreciation to friends and teachers.

We look forward to celebrating with your child next week!

Yours Sincerely,

Ms. C Williams (On behalf of student leaders)
Academic Assistant Head Secondary
