19th April 2024

Dear Parents and Carers,

## Year 11 Taster Days and Work Experience 2024

At the end of the academic year, all Year 11 students will take part in A Level taster days and work experience. Both of these activities are designed to prepare students for KS5, whether that is at TBS or at another school.

The key dates are:

- A Level Taster Days - Wednesday 12th & Thursday 13th June 2024
- Work Experience - Monday 17th - Friday 21st June 2024

### A Level Taster Days:

Over the two taster days, students will experience daily life in Key Stage 5 and have the opportunity to try out lessons in subjects that they are thinking they may want to study in Year 12. During these days they will be treated as a Key Stage 5 student. On the form below, please give permission for your child to leave the school site for lunch times. This will remain for the duration of their time at TBS.

### Work Experience Week:

This is an exciting opportunity for students to spend a week in a field they are interested in. Students have recently submitted their application for the placement they would like to take part in. All these placements are organised by TBS; we have worked to make sure every placement is a valuable and safe experience for students. On the form below, please give your permission for students to attend work placements away from TBS (if you do not give permission, your child will still be expected to attend working in TBS primary school).

Please complete this [FORM](#) by Wednesday 26th April 2024. If you have any questions about either of these events, please do not hesitate to contact me at [atyndall@tbs.edu.np](mailto:atyndall@tbs.edu.np).

Yours Sincerely

**Ms. Anna Tyndall**

Head of Key Stage 5
