12th April 2024

Dear Parents/carers,

Year 8 Trip to Pokhara

We are delighted to inform you that a four-night residential trip has been planned for our Year 8 students to Pokhara, as an integral part of their curriculum. This exciting excursion will encompass a variety of activities centred around history, geography, and social enterprise, providing our students with a thorough exploration of the town's rich heritage and its surrounding geographical features. They will also have the opportunity to visit several museums and sites that are pivotal to Nepal's cultural heritage.

The cost of the trip will be covered by the school. This includes transport, accommodation and food. However, your child should bring a packed lunch for the first day. Departure will be at 8.30 am on Monday 27th May, returning by 3.25 pm, traffic dependent, on Friday 31st May.

Medical information:

Please inform us of any medication your child may be taking. Medication must be labelled with your child's name and handed to Mr. Montague-Munson no later than Monday 27th May. Please inform Mr. Montague-Munson if this is not possible.

Emergency contact details:

Please provide three contact numbers via the [shared electronic form](#) by Friday 19th April. This form also includes other essential information such as dietary and religious information. The school does not have insurance for individual children so this form also requests the details of your own insurance cover. If you have any queries about this, please get in touch.

Finally, an information session will be held closer to the time for further details on itineraries, accommodation and activities. This will also be your opportunity to ask any questions you may have. I look forward to seeing as many of you there as possible.

Please email me (jmontaguemunson@tbs.edu.np) if you have any questions or concerns.

Yours sincerely

Mr. Joshua Montague-Munson
Head of Humanities
