Dear Parents and Guardians,

Swimming ability on the Y8 Pokhara Trip

As part of our accommodation at the Aabas Barahi, we have recently found out that we are fortunate to have access to a swimming pool. To ensure the safety of all students during this aspect of the trip, we kindly request you provide information about your child's swimming ability.

Please complete this [form](#), indicating your child's level of swimming proficiency. This will help us in planning appropriate supervision and activities around the pool area. Your prompt response is greatly appreciated to facilitate our preparations and ensure a safe environment for all students.

Below are the categories we are looking to assess:

- **Non-swimmer:** Has little to no experience in swimming.
- **Beginner:** Can swim short distances and is comfortable in the water but may need supervision.
- **Intermediate:** Can swim longer distances, is comfortable in various swimming strokes, and can handle deeper water.
- **Advanced:** Highly skilled in swimming, can swim long distances, and is proficient in multiple strokes.

Please fill out the form at your earliest convenience.

Should you have any questions or concerns regarding the trip or the swimming arrangements, feel free to contact me by email at khall@tbs.edu.np.

Yours sincerely
Ms Katherine Hall
Geography Teacher
