Dear Parents/Carers,

## River trip cancellation

We are updating you regarding the proposed river trip that was delayed due to staff illness. Unfortunately, due to the time of year, we will be unable to run this field trip this academic year. As it is a valuable field trip, we will still aim to run it next year after the monsoon rains have become less frequent.

The field trip was going to be used as part of the pupils' assessment grading, therefore an extra exam has been added to the Year 7 calendar for geography. We want to stress that grading within Humanities subjects are holistically assessed throughout the year and that we do not want to increase pupil anxiety. Ms Hall and I will provide revision materials and information regarding the exam.

If you have any concerns or questions, then please do not hesitate to contact me.

Yours sincerely

**Mr. Andy Palmer**

Head of Geography
