9th May 2024

Dear Parents/carers,

Year 8 Trip to Pokhara

We are updating you regarding the four-night residential trip to Pokhara. This exciting excursion will encompass a variety of activities centred around history, geography, and social enterprise, providing our students with a thorough exploration of the town's rich heritage and its surrounding geographical features. They will also have the opportunity to visit several museums and sites that are pivotal to Nepal's cultural heritage.

The cost of the trip will be covered by the school. This includes transport, accommodation and food. However, your child should bring a packed lunch for the first day. Departure has been moved forward to 6.30 am to avoid traffic congestion on Monday 27th May, returning by 3.25 pm, traffic dependent, on Friday 31st May.

Medical information:

Please inform us of any medication your child may be taking. Medication must be labelled with your child's name and handed to Mr. Montague-Munson no later than Monday 27th May. Please inform Mr. Montague-Munson if this is not possible.

Emergency contact details:

If you have not done so already, please complete the [shared electronic form](#) by Monday 13th May. This form also includes other essential information such as dietary and religious information. The school does not have insurance for individual children so this form also requests the details of your own insurance cover. If you have any queries about this, please get in touch.

We will be carrying out a Parental Information Session on Wednesday 15th May, at 4 pm in the Senior Library.

Please email me (jmontaguemunson@tbs.edu.np) if you have any questions or concerns.

Yours sincerely

Mr. Joshua Montague-Munson
Head of Humanities
