Dear parents and carers

Re: Proposed Primary & Early Years residential trips and visits for the academic year 2024 25

To help with planning your child's commitment I would like to take this opportunity to share with you all our proposed residential trips for the academic year 2024 - 25. Please be aware that not all of these trips are confirmed trips yet and all the trips that are charged to parents will be subject to viable numbers of students committing to the trips. However this is a full list of residential trips that we currently intend to offer this year, both optional (yellow) and curriculum (green). Please see the Optional Trip FAQ booklet for more details on these educational visits.

Further details together with an invitation to register for these educational visits will be sent out closer to the time.

Please contact myself, Ms Ealy or Ms Yates if you have any questions about the proposed trips for the year

Your sincerely,

Ms. Sally Moulds
Head of Primary

Date	Name of Trip and targeted students	Leader	Cost estimate UK £	Location
November	Year 6 & 7 Korea	TBC	£1800	Korea
