4th February 2025

Dear Parents and Carers,

**Year 11 Parent Teacher Conference and A Level Options Evening**

As your child is heading into the final stretch towards their GCSEs, we will be hosting our AS Options Evening alongside the Parent Teacher Conference on Tuesday 11th of February for all of our Year 11 students and parents. This is an opportunity for you and your child to talk to teachers from different subjects to begin the process of selecting the A level courses which are right for them as well as to have the normal PTC conversations with their current subject teachers.

Each subject will host a stall displaying information about the A level course and teachers will be available to ask questions. The event will be held in the hall, secondary library and sixth form study centre from 4.30pm-6.30pm. There will be a general options and university preparation presentation with Mr Draper, Ms Williams and Ms Sheldon in the library for all families from 5.00pm-5.30pm, with individual teacher appointments taking place either side of this.

We offer students moving into the Sixth Form a wide range of options to choose from and we are proud of our varied curriculum provision and the achievements of our A level students. We are confident that we offer the right opportunities for our students to excel academically and in extracurricular pursuits, which are so important for broadening the acquisition of skills required for both university and beyond. However, we know that moving into Key Stage 5 can be both exciting and daunting. It's normal to be confused or to have lots of questions, which is why all the teaching staff at TBS are here to support you through this process.

The options process will be comprehensive so that we are best able to meet the needs of each child, as explained in the Options Booklet which you will receive during the evening. Should a child require an alternative learning pathway, we will collaborate with parents on a 1-to-1 basis throughout the options process to create a suitable and stimulating timetable.

Please complete this form to confirm your attendance for the event. We are very much looking forward to seeing all of our Year 11 students and their parents/carers in the evening.

Yours Faithfully,
**Ms C Williams (Academic Assistant Head)**
