16th May 2025

Dear Parents,

World Scholar's Cup Day: Friday 6th June

We are excited to inform you that **Friday, 6th June**, will be **World Scholar's Cup Day** at TBS - a special opportunity for all students in Years 6, 7, and 8 to experience the energy, collaboration, and challenge of this international academic event.

The World Scholar's Cup is a global programme for students aged 10-18, combining debate, writing, collaborative problem-solving, and interdisciplinary learning. Our students have a proud history of success in this event, and this day has been designed to give your child the full Scholar's Cup experience at TBS.

Students will be off timetable for the day, taking part in a variety of engaging and enriching activities designed to develop their critical thinking, teamwork, and communication skills.

For our Year 6 students, this day is also an important part of their transition into Secondary School, helping them build confidence, teamwork skills, and a sense of belonging in their new learning environment. They will be paired up with their Year 7 buddy during the day to give them a chance to get to know them, ready for next year.

Please note that this is a compulsory school day, and all students are expected to attend and participate fully. It is not an optional event. We are, however, aware that Friday 6th June falls on Eid al-Adha, and that some families may be observing this important religious celebration. If you anticipate your child will not be in school that day to celebrate Eid, we ask that you please complete this short [form](#) to inform us in advance.

There is no need to complete the form if your child will be attending school as normal.

If your child will be absent on Friday, 6th June, for any reason other than Eid al-Adha, please let me know by replying to this email, as students will be working in teams and absences will affect the smooth running of the day.

Yours sincerely

Ms. Katherine Hall
