6th June 2025

Dear Parents & carers

Pride Week
9th - 13th June 2025

We are delighted to inform you that we will be observing Pride week commencing 9th June. As a community, it is important that we support diversity and show solidarity, collectivity, identity and resistance to discrimination.

We have a full programme of events including:

Monday 9th June - Entry point and PSHE lessons on DEI and protected characteristics
Pin sale & sticker making
Tuesday 10th June - Secondary assembly
Wednesday 11th June - Pin sales
Thursday 12th June - Primary art, flag making
Secondary Open Mic at lunchtime
Friday 13th June - Whole school wear rainbow colours
Guest speaker for both Primary & Secondary
Whole school rainbow cake sale - at break & lunch times
Primary Assembly including the Song "Colorful Me" composed by Ira in 4M

The rainbow cake sale is to raise money for LGBTQIA+ charities within Nepal. **You can support this event in either one of two ways:**

A) Bake/buy a rainbow themed cake and donate it to the sale. We are looking to see multiple colours in these cakes, so get your creative kitchen skills flowing.

B) Come along, donate some money and enjoy a deliciously sweet treat. It will be Friday after all!

We will be accepting cake donations from 8am onwards at the front of the school, near the gates, under the Pride flag. In the case of wet weather, this will be held in the mound area next to the pond. All donations will be placed together and any style of cake will be accepted. Big, small, cups, muffins, all will be welcomed.

The school information leaflet on **food allergies can be found** here. To ensure we keep everyone safe, as part of your cake donation, please give a list of ingredients. If you are purchasing cakes, please ask the supplier for an ingredient list, so you are aware.

We look forward to seeing you all at various points of Pride week.

Best wishes
Sally Moulds
Head of Primary
